HAPPY VALENTINES DAY

Success is a steady progress towards one's goals. Together STCC continues to spread the word what a wonderful "Home Away From Home" we truly have. During the month of January we sold 13 more new memberships (wow). The different type of memberships consist of four Corporate, four Young Executive Golf, three Social and two National Golf.

It's that time of year when all the Membership Directors meet and share their best practices along with the Comparative Market Analysis (CMA). Once again STCC was tops in almost every sales category and success stories. One club asked me, "Jim what's your secret?" Hmm.....should I be like the Bush's Beans TV commercial? Nay...so I said "It's simple, STCC has the BEST Members any Country Club could ever ask for."

February will be another busy month at STCC. Have you noticed our new 2019 Social Calendar? Of course, Robb (Golf Pro) has provided numerous events on the Golf calendar too. I hope you are coming to our Super Bowl Party, and good luck with those bets. The Los Angeles Rams are young and eager but the veteran New England Patriots have so much experience. Go Pats!

Speaking about TV, make sure you are watching the Golf Channel as STCC will be airing 61 commercials during the next few months. Plus, tune your radio to ESPN, Fox Sports & 92.5 FM the last week of February and beginning of March. The tradition continues at STCC.

If you are attending Valentine's Day at the clubhouse make your reservations early. Chef Andre has a superb menu prepared and the atmosphere will be delightful to make this a memorable special evening.

Okay, it's time for another New Mixer and if you look across the page all the details are available. New members (from October 1st) please RSVP early because in the past few months we have signed up so many Members. We always have a lot of fun meeting new friends, playing games, enjoying drinks and appetizers, winning door prizes, and much more!

In closing, a special thank you to Kathy Baldieri for her dedication and hard work over the past eight years as Food & Beverage / Private Events Director. Kathy, will be missed and we wish her the very best in Oregon.
